FINANCIAL POLICY

We make every effort to keep down the cost of your oral surgical care. You can help by paying at the completion of each visit. We offer our patients the option of paying us with Visa, Mastercard, Debit Card, Cash or Certified Cheque. **Please note that we do not accept personal cheques.** Upon exceptional circumstances, other payment options may be extended, but only if discussed with the doctor or office staff **prior** to the date of treatment.

For patients with dental insurance, we will assist you in collecting the maximum amount you are entitled to by providing Predeterminations and Claim forms. Most insurance companies accept electronically filed claims which usually result in reimbursement in less than one week. **All dental insurance reimbursements are directed to the policy holder.**

As a specialty Practice, our fees are generally 10-15 % above the Ontario Dental Association Fee Guide for General Dental Practitioners.

Due to the inherent variable nature of surgical treatment, you may be asked for payment in the Recovery Room following an anesthetic. For your security, this will only be done in the presence of your escort.

If you have any questions regarding our financial policy, please feel free to discuss them with your surgeon or the office staff.

I have read and understand the financial policy of the Huronia Oral Surgery Group.
